

LOVELL HUDSON B. CLAVEL

ABOUT ME

I am a Bachelor of Science in Information Systems graduate from Caraga State University. I have experience with virtual assistant tasks, data entry, online shop organization, video editing, graphic design, and AI prompting. I have basic skills in CapCut and Canva and enjoy creating short-form and UGC-style content. I am a fast learner, detail-oriented, and eager to learn new skills and take on new challenges.
